As the Group Administrator for the below mentioned account, I appoint as our organization's Producer of Record as of . I understand that our Producer must be appointed to sell insurance with Blue Cross and Blue Shield of Texas, and as such, maybe considered a Business Associate of Blue Cross and Blue Shield of Texas. The Producer may have access to certain information related to insurance support functions, such as membership maintenance information, plan benefit information, new product information and enrollment/dis-enrollment information.

In addition, I am aware that when the Producer is acting as a Business Associate of Blue Cross and Blue Shield of Texas, the Producer's access to my account's PHI maintained by Blue Cross and Blue Shield of Texas, excludes access to other types of information, including claim and/or medical information. However, if my Group Health Plan is HIPAA compliant, we may choose to execute an Insured Group Certification providing instructions and authorization to Blue Cross and Blue Shield of Texas to share PHI with our appointed Producer.
